Dear Parents,

Thank you for your interest in FEPC Preschool and Mother's Day Out. As an extension of your family, our goal is to foster a loving, Christian environment that will encourage a lifelong love of learning. We are dedicated to nurturing the whole child: spiritually, mentally, emotionally, socially, and physically.

We believe that learning should be fun, active, and participatory. Teachers create developmentally appropriate activities with the interests of children in mind. In addition to theme-based classroom activities, children participate in **daily** music and/or chapel programs. Furthermore, all children have time to enjoy the playground and/or gym. Unlike many other programs in the valley, we are pleased to offer a longer day which includes a family style lunch in the classroom with your child's teacher.

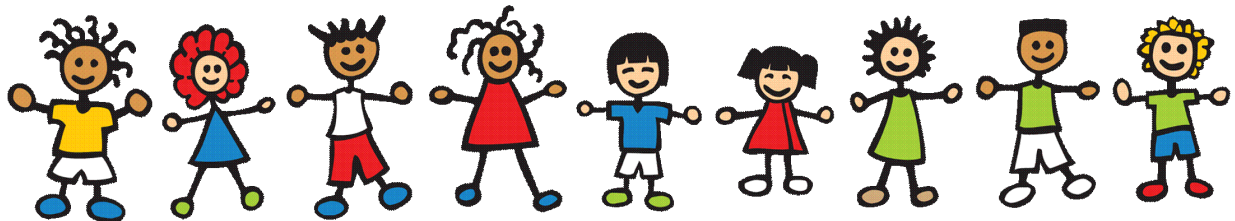

To enroll your child for the 2024-2025 school year please read the following information carefully. Priority registration for existing FEPC Preschool and Mother's Day Out families and church members will begin February 1st and run through February 9th. Open enrollment will begin on February 12th. Classroom placements will be made on a first come, first served basis. We are pleased to be able to maintain current tuition costs for next year. Register now to ensure a space!

We have decided to eliminate our 1-day option for Mother's Day Out. Beginning next school year, MDO families will be offered 2,3,4 or 5-day options. We have found that students adjust quicker and perform better at school when they are here more often.

It's important to note that preschool and pre-k registrations are less flexible. We will offer a 3-day (MWF) preschool and pre-k class and we will offer a 5-day preschool and pre-k class. You will be placed in a room according to which days you attend, not which class you are moving up from. Anyone registering for preschool should be potty trained. Please plan to meet with me if you are considering giving your child the gift of time so that we can place you on the right track for registration.

If you have any questions about registration or the upcoming school year, please do not hesitate to contact us at 540-344-9538. We are looking forward to another exciting and meaningful school year.

Blessings,
Katie Brown, Director
